Call to Worship

Leader: As the Creator, God has offered us this day for life and this world for beauty and sustenance. As the Lawgiver, God has offered us a way in which we can all live in a just peace. As a Beloved Son, Jesus offers us a life of love and models what that means for the living of these days. As Divine Spirit, God imbues our very being and is as close to us as our breath.

People: The Divine Presence meets us throughout each day in myriad and mystical ways. Come God and enter my heart, soul, mind and body so that I might live into your command of love. Help me to make your world a better place and teach my children to do the same.

Leader: Come, let us worship our God.

Prayer of Invocation [composed and led by the Deacon on Duty]

Capital Campaign Update

By Kaki McGeary

Capital Campaign Update: This week, crews began painting the interiors of the historic window casings in preparation for NEW storm windows to be installed. This is very exciting and will give quite a face-lift to the sanctuary! The new storm windows were custom-built to fit our space, so they will look less choppy and they will be clean and more efficient. Once the new storm windows are in place, the refurbished historic windows & shutters will be installed (in early/mid October).

Our new parking lot entrance & ADA bathroom are available for use and the Deacons are designing shelves for the new storage closet. Our entrance is more accessible than ever, featuring automated door-opener pads. However, there will be a little more minor construction as we add a small roof above the vestibule entrance. We are still awaiting final approval of a federal grant that would pay for the new parking lot light fixtures and installation. We need to wait until we have a grant contract in place before we can use those funds, so the lighting portion of the project will take a bit longer than we hoped. We are aware that this causes some inconvenience, but the delay will save us about \$10,000 if we can use federal funds for that work instead of paying for it with Campaign funds.

The asbestos removal in the preschool wing is complete, and our Trustees and new tenant are working to get the space ready for the new daycare business to open. Last but not least, our old sign has been removed, and a new sign will be installed some time in late September/October along with some new landscaping around the peace pole.

As we wrap up a few remaining loose ends on the projects completed to date, the trustees and Capital Campaign Committee will turn our attention to the Marvin Lounge and Kitchen projects, which are the next big projects on our list.

Special Note: For your convenience, charts containing completion date projections for the Capital Campaign's various projects are posted on bulletin boards throughout the church.

History of Constitution Week & Bells Across America

By Ann Gray

This year is the 64th anniversary of Constitution Week and the 232nd anniversary of the signing of the United States Constitution. The National Society Daughters of the American Revolution adopted an internal resolution on April 21, 1955, designating September 17-23 as Constitution Week.

Members of the United States Congress received the DAR resolution; and on June 7, 1955, the resolution was discussed in the Senate. The first resolution to observe Constitution Week was made June 14, 1955, by Senator William F. Knowland of California. Following the passage of the resolution by both Houses of Congress, President Eisenhower issued his proclamation on August 19, 1955.

The first observance of Constitution Week was so successful that on January 5, 1956, Senator Knowland introduced a Senate Joint Resolution to have the President designate September 17-23 annually as Constitution Week. The resolution was adopted on July 23, 1956, and signed into Public Law 915 on August 2, 1956.

This year in celebration of Constitution Week, the DAR is spearheading "Bells Across America". DAR Chapters across the county are asking churches, schools, courthouses, fire houses, veterans' homes, city governments, and individuals to ring bells on September 17 at 4 p.m. EST in all time zones so they are heard simultaneously from coast to coast. The local DAR Chapter, Green Mountain, asked us to participate and Council approved our participation. There is no standard number of times the bells are to be rung. We have decided to ring the bell 14 times – 13 for the original 13 states and one for Vermont, the 14th state. Pastor Mark and Dan Petherbridge will be our bell ringers

So when you hear bells ringing from our tower on September 17 at 4 pm, it is in celebration of the 232nd signing of the US Constitution. Everyone is invited to join in by ringing bells from their porches or come by and ring your bell while standing on the sidewalk or parking lot.

SAVE THE D@TE

September is National Hunger Action Month, and the Vermont Foodbank is putting together resources that we hope you will find useful. Visit <http://www.vtfoodbank.org/HAM> to learn more about this national campaign to raise awareness about hunger and inspire people to take action.

Fourteenth Sunday after Pentecost

Growing in God's Love

1 Timothy 1:12-17

1 Timothy 1:15-17 (NIV) *Here is a trustworthy saying that deserves full acceptance: Christ Jesus came into the world to save sinners—of whom I am the worst. But for that very reason I was shown mercy so that in me, the worst of sinners, Christ Jesus might display his immense patience as an example for those who would believe in him and receive eternal life. Now to the King eternal, immortal, invisible, the only God, be honor and glory for ever and ever. Amen.*

Holy One,

We confess.

We confess that we miss the mark as often as we hit it. We confess that we gaze longingly down the road that branches the other way, not Your way. We confess that our thoughts and our actions separate us from You, from Your beautiful creation and from our own true selves.

We confess that we separate from You whenever we are captivated by consumerism, by violence, by political polarization, by all our addictions and resentments. Remind us always that we cannot serve You and those other gods.

We confess that we do all that we can to separate ourselves from the rest of your creation. We ignore the crisis of the changing climate on this beautiful planet which you have placed in our care. We foment division among peoples, making war with neighbors across the street and across the globe.

We confess that we are separate even from our own true selves, the beings of love and light that you created.

We confess that we hate to confess.

Unlike your follower Paul, who proudly proclaimed that he was “the worst” of sinners, we shudder at the word sin. Maybe it’s because we believe that if we confess that we sin, we will somehow be confessing that all we are is sinful. Maybe we even believe that’s true.

We confess, then, that we have forgotten that we were born of your love, in order to live in your love. We confess that we need reminding that You created us in Your image, holy and pure. Free us to see that confession is the path to freedom from shame, not the piling on of it.

Give us the courage to look at our broken places and name them, bringing them into the light. Unchain us by this act of confession from both our sin and the shame we feel about our sin, so that we can move forward into your transformation.

In your Holy Name we pray, Amen.
