*No matter who you are
or where you are on life's journey,
you are welcome in this place.*

We encourage everyone to sign the Friendship Book.

A Musical Introit

I Will Call Upon the Lord

Michael O'Shields

Call to Worship

Leader: Welcome to worship at First Church. Here we explore the mystery of God and listen to God's voice so that our lives might better reflect divine glory.

Pulpit Side: The Presence of God in our lives and our ability to discern Divine intent is a mystery and yet we acknowledge it.

Lectern Side: God's leading hand in the history of the world and the arc of justice is nearly incomprehensible to sense and yet we affirm it.

Pulpit Side: God's palpable presence in Jesus of Nazareth defies our understanding of reality and yet we proclaim it.

Leader: God is bigger than we are. Human constructs fall short of explaining our natural world much less the Divine Presence. And yet, we are here to make such connections as we seek to shape the world from God's vision. Come, let us worship our God.

Prayer of Invocation [composed and led by the Deacon on Duty]

Children's Message

During worship, our nursery is for children under three. There is audio in there and the service is streamed to Fellowship Hall. After the 2nd service's children's message, PreK-8th grade are welcome to follow Laurie for Faith Formation with music & peer group on the 2nd & 3rd floors. High School Youth are welcome to join in as peer helpers. Adults are welcome to accompany children, get them settled, stay, or return to worship. Parents—please, ensure that your child in PreK-2nd is signed out by yourself or an authorized person when peer groups end at 11:30am.

**God has made us all a rainbow.
Colors dancing 'round and 'round.
In our hair and skin and eyes, big and little, every size,
God has made us all a rainbow dancing 'round.**

**Jesus loves the little children,
All God's children of the world.
Whether young or old or new, Jesus loves us through and through
Teaching us to love all creatures in the world.**

thy will be done, on earth as it is in heaven. Give us this day our daily bread
and forgive us our trespasses as we forgive those who trespass against us. And
lead us not into temptation, but deliver us from evil, for thine is the kingdom
and the power and the glory forever, amen.**

- **Spiritual Friends** – 1st Sundays of the month, 2nd floor. Read a story, have snack and great conversations with PreK & Kindergarten children. Then a little Godly playdough time before returning to worship for communion.
- **Peer Group Leaders & Helpers** – PreK-8th grade meet 2x/month during 2nd service. You receive a weekly email with the lesson and activity. All items are gathered for you. Capital Campaign Update

By Kaki McGeary

Capital Campaign Update: This week, crews began painting the interiors of the historic window casings in preparation for NEW storm windows to be installed. This is very exciting and will give quite a face-lift to the sanctuary! The new storm windows were custom-built to fit our space, so they will look less choppy and they will be clean and more efficient. Once the new storm windows are in place, the refurbished historic windows & shutters will be installed (in early/mid October).

Our new parking lot entrance & ADA bathroom are available for use and the Deacons are designing shelves for the new storage closet. Our entrance is more accessible than ever, featuring automated door-opener pads. However, there will be a little more minor construction as we add a small roof above the vestibule entrance. We are still awaiting final approval of a federal grant that would pay for the new parking lot light fixtures and installation. We need to wait until we have a grant contract in place before we can use those funds, so the lighting portion of the project will take a bit longer than we hoped. We are aware that this causes some inconvenience, but the delay will save us about \$10,000 if we can use federal funds for that work instead of paying for it with Campaign funds.

The asbestos removal in the preschool wing is complete, and our Trustees and new tenant are working to get the space ready for the new daycare business to open. Last but not least, our old sign has been removed, and a new sign will be installed some time in late September/October along with some new landscaping around the peace pole.

As we wrap up a few remaining loose ends on the projects completed to date, the trustees and Capital Campaign Committee will turn our attention to the Marvin Lounge and Kitchen projects, which are the next big projects on our list.

Special Note: For your convenience, charts containing completion date projections for the Capital Campaign's various projects are posted on bulletin boards throughout the church.

History of Constitution Week & Bells Across America

By Ann Gray

This year is the 64th anniversary of Constitution Week and the 232nd anniversary of the signing of the United States Constitution. The National Society Daughters of the American Revolution adopted an internal resolution on April 21, 1955, designating September 17-23 as Constitution Week.

Members of the United States Congress received the DAR resolution; and on June 7, 1955, the resolution was discussed in the Senate. The first resolution to observe Constitution Week was made June 14, 1955, by Senator William F. Knowland of California. Following the passage of the resolution by both Houses of Congress, President Eisenhower issued his proclamation on August 19, 1955.

The first observance of Constitution Week was so successful that on January 5, 1956, Senator Knowland introduced a Senate Joint Resolution to have the President designate September 17-23 annually as Constitution Week. The resolution was adopted on July 23, 1956, and signed into Public Law 915 on August 2, 1956.

This year in celebration of Constitution Week, the DAR is spearheading "Bells Across America". DAR Chapters across the county are asking churches, schools, courthouses, fire houses, veterans' homes, city governments, and individuals to ring bells on September 17 at 4 p.m. EST in all time zones so they are heard simultaneously from coast to coast. The local DAR Chapter, Green Mountain, asked us to participate and Council approved our participation. There is no standard number of times the bells are to be rung. We have decided to ring the bell 14 times – 13 for the original 13 states and one for Vermont, the 14th state. Pastor Mark and Dan Petherbridge will be our bell ringers

So when you hear bells ringing from our tower on September 17 at 4 pm, it is in celebration of the 232nd signing of the US Constitution. Everyone is invited to join in by ringing bells from their porches or come by and ring your bell while standing on the sidewalk or parking lot.

Fifteenth Sunday after Pentecost

Prayerful Living

1 Timothy 2:1-7

This week, we are invited to pray for leaders. Strong leaders cast a vision for the community, so that the community can follow the vision, not the leader. Insightful leaders empower others to explore and use their gifts. Compassionate leaders are able to understand the concerns of those they lead without getting drawn into anxiety or drama. Faith-filled leaders seek to understand God's will for themselves and their communities as they make decisions large and small.

Some few people are born leaders, but most people need to grow into leadership. Some leaders become strong, insightful, compassionate and faithful through mentoring or training. In the scripture reading for today, Paul reminds us that praying for our leaders is one of the ways we can help guide them. We can, and should, still ask our leaders hard questions and, when necessary, call them to account. But whether we follow their lead or dig in our heels, the first step is to pray. This week, try adding the leaders in your life to your prayer time, and see how it changes them, and you.

- ◇ Monday: Pray for leaders of your congregation. Pray for pastors, officers, deacons, lay leaders and teachers.
- ◇ Tuesday: Pray for leaders of your community, county or city. Pray for elected leaders as well as leaders in local advocacy and activist groups.
- ◇ Wednesday: Pray for leaders of the nation. Pray for elected officials in the three branches of national government – judicial, legislative, presidential. Pray for the senior staff members in these branches.
- ◇ Thursday: Pray for leaders of the world. Pray that world leaders understand that we are one global family so they can make good decisions about immigration, climate, economics and other issues that transcend borders.
- ◇ Friday: Pray for the future leaders being formed now. Pray for children and youth who are making their voices heard, and for those who have no voice yet.
- ◇ Saturday: Pray for yourself as a leader. Pray to be strong, insightful, compassionate and faith filled. Pray to be shown opportunities where your unique gifts and skills might be used to lead.
- ◇ Sunday: Today is sabbath day. Pray for adequate rest for all leaders.
