Sharing Our Prayers with God and Each Other

Our Father, who art in heaven, hallowed be thy name. Thy kingdom come, thy will be done, on earth as it is in heaven. Give us this day our daily bread and forgive us our trespasses as we forgive those who trespass against us. And lead us not into temptation, but deliver us from evil, for thine is the kingdom and the power and the glory forever, amen.

FCCEJ Confirmation Class

Thursdays @ 7:30-9pm @ Marvin Lounge

Confirmation is an intentional time in a person's life, usually a young person, to learn more about Christianity, the Bible, faith, etc. During this time, they start to intentionally form what they believe and how they want to engage society. The confirmands attend other faith tradition's worship services, participate in community service projects, and participate in some capacity at church whether if it's through helping with faith formation, reading in worship, etc. It ends with confirmation Sunday when confirmands who want to join the church publicly do so. Anyone in 8th grade or above is welcome to join the Confirmation class. It is a one-year program. Confirmation class will take place most Thursdays, 7:30-9pm, between now and May 31st on Confirmation Sunday.

Junior Youth Calendar

November Book Group

Monday, November 18th at 11:30 am

The next book group will meet in the Marvin Lounge. We will be reading a novel by Sinclair Lewis. It Can't Happen Here was written in 1935 while Lewis was in Vermont for the summer. It is a tale about the fragility of democracy and a look at how facism could take hold in America when it was largely oblivious to Hitler's aggression in Europe. The novel is about the rise of a president who becomes a dictator to save the nation from welfare cheats, crime and a liberal press. In 1935 when it was written, it was called "a message to thinking Americans". It is a novel that remains as fresh and contemporary as today's news.

Reverend Erin Reardon Installed

@ Warren United Church

Sunday, November 17th, 2019

Let us all be a little proud that Tom and Suzanne's daughter Erin will be duly installed at the Warren United Church, under the auspices of the Vermont Conference of the United Church of Christ on Nov. 17th, 2019 at the Warren Church [339 Main Street, Warren VT 05674] at 2:00p.m., with reception to follow. Erin grew up in our church and in ironic but true congregational form, chose NOT to be confirmed here under the able guidance of Rev. Steve Garvey. Yet in that conscientious choice, there was a yearning for more spiritual knowledge and here we are.....! The service will be a great celebration and Rev. Mark will be participating and offering rides if anyone needs one.

Capital Campaign Update

By Kaki McGeary

Thank you to the volunteers who spent a few hours last Sunday to clean-out and pare down our kitchen supplies and gear! Who knew we had so many punch bowls? Thank you Jim Glatz, Jenny Bourn, Ginny Coe, MJ Allen, Kaki McGeary and Val Gabert! We got rid of the things we no longer use, things that no longer function well, and things that many, many duplicates. We re-organized all

that was left so hopefully things will be easier to find and use. This project was a huge help to the Capital Campaign as we think about our storage needs and how the kitchen can be efficient and user-friendly for all who use it.

Security Grant/Lighting News - we got the grant! We received a federal grant of \$47,809 for improving security and safety at our church. This grant award includes \$10,000 for new parking lot lights! Also included are funds to add locks to all of our classroom doors and a new “controlled access system” (keyless locks, video cameras at our two main entrances). Now we are just waiting on paperwork. :) Once we have it, we will install the new lighting in the parking lot! The other projects will take a bit longer to implement, so stay tuned for details.

Window Update: We are eagerly awaiting the return of our historic windows/shutters in the sanctuary. We hope they will be back by the end of November.

AND.....COMING SOON: The Sanctuary Restoration Project!

The Sanctuary Restoration Project will begin January 1. As we shared before, the plaster ceiling must be totally removed and replaced. This work will require temporary scaffolding. The entire project should take about 2 months, assuming no major hiccups. The ceiling work will be done first and then it must cure for several weeks, during which time the walls will be patched. Once that is done, painting can begin!

Unfortunately, the Sanctuary will not be usable while the scaffolding is in place. Worship services will be held in Fellowship Hall starting on December 29. Our goal is to be back in the sanctuary BEFORE PALM SUNDAY, if not before. Our staff and several committees are working on plans to make this temporary move as seamless and comfortable as possible. We appreciate everyone’s patience and flexibility as we get through those few months. We ask for prayers that we move through this time of transition and mess with patience, kindness, grace and humor, and that this experience might draw us closer together as one body of Christ.

As we continue to work on these projects, we are drawing down our cash balance. Your continued pledge payments are vital to our efforts! We have budgeted for bridge loan financing, and while we have not needed it yet, we will likely need to secure a bridge loan for the Sanctuary Restoration. As always, early pledge payments are welcome to help minimize bridge loan interest.

Special Note: For your convenience, charts containing completion date projections for the Capital Campaign’s various projects are posted on bulletin boards throughout the church.

UNITED CHURCH OF CHRIST

November 10, 2019

Twenty-second Sunday after Pentecost

Hold on to Faith

2 Thessalonians 2:1-5, 13-17

Stewardship Sunday

Surely the end is near.

Violence runs rampant.

Consumerism holds a culture in thrall.

The people listen to the words of the leaders
and struggle to discern which are true.

Sound familiar? As it was for the church in
Thessalonica, so it is for us today.

But hear the voice of Jesus calling and saying,
“I am the way.”

You may hear, my friends, that the end is near.

You may hear that this one is the Messiah,
or that one is the Savior.

Don't let yourselves be stirred or shaken.

Do not believe everything you hear or see.

Be calm and discerning.

Don't let anyone fool you.

And listen for the voice of Jesus, calling and
saying, “I am the way.”

You may be tempted to put your trust
in this celebrity or that one,
a certain candidate or the opposition,
one charlatan or another.

These may seem to us to be gods, but they are
not.

God will reveal these exalted ones for
who they truly are – flesh and blood like you
and me.

Just listen for the voice of Jesus, calling and
say, “I am the way.”

How do we know the voice that we hear
is indeed the voice of Christ?

First of all, be grateful.

Give thanks to God whenever you can.

Then, remember this.

You are God's beloved child.

You are called for such a time as this.
so stand firm in the truth.

Listen! the voice of Jesus, calling and say, “I
am the way.”

Be comforted in your heart and
be strong in your spirit, knowing that
you are held in Christ's embrace.

 God
is still
speaking,

Joint Urban Ministry Project: SOUP(er) Night

Savory soups of many varieties, heaping salad bowls of greens and grains, and a smorgasbord of brownies and cookies made for a sumptuous feast for an appreciative crowd at last Saturday's first ever "Soup(er) Night for JUMP!" Active bidding at the "Silent Auction" and delicious deals at the "Bake Sale" helped the NEW Joint Urban Ministry Project (JUMP) event succeed in raising over \$3,000!

All for a great cause as faith communities across the country are shrinking, so too is the base from which JUMP gets its support. JUMP must face this reality. In order to do so...JUMP needs to focus on what distinguishes and separates it from

other social service agencies in Chittenden County: mobility and transportation assistance."

This does not mean that JUMP must stop providing the services that it has always provided. Nothing about that—or the relationships with faith communities -- must change. Rather, JUMP must, become more creative at raising more funding to support client transportation needs."

Focused on the Future, we hope the successful first ever SOUP(er) Night for JUMP becomes that creative new annual fundraising event.

JUMP is Soup(er) pleased by the large turnout of supporting faith communities, family and friends.

And equally, thrilled to be joined by Bishop Shannon MacVean-Brown, newly installed Bishop of the Episcopal Church in Vermont with her husband Phil and family.

There are many to thank for this fun, social event that did much to help JUMP assist people in need in our community.

Special thanks to:

The First Unitarian Universalist Society of Burlington for hosting the event.

Tom Jones for playing the piano;

All who donated soups, salads, cookies and brownies – together creating a delicious feast;

All who donated items for our very successful Silent Auction;

Margaret Welch who was our Soup(er) Organizer;

Our corporate sponsors: Cabot Creamery Co-operative, the Olive Garden Restaurant, Trader Joe's and Shelburne Pond Studio artist: Katherine Stockman; and

Everyone who participated in this fun, fundraising, community-building evening for JUMP!
