Call to Worship

Leader: Primordial waters shaped the creation and called life into being.

People. We were born of water from our mother's womb, survive from the earth's waters and retain health from drinking an abundance of water.

Leader: God led the Israelites through the Red Sea Waters, the surging flood of Noah, the River Jordan and into the meaningful baptismal waters of Christ's love.

People: God still gives us life and leads us to health through the power and presence of water. Come, let us worship our God with song.

The Baptism of Christ
Possibilities Unfolding
Matthew 3:13-17

The Rev. Karen Georgia Thompson, (recently elected) Associate General Minister of Global Engagement and Operations of the United Church of Christ, raised her prophetic and poetic voice addressing General Synod delegates (last June). She shared a memory of a clock without hands she'd seen in Clujj-Naropa, Romania, which became for her an image of the contemporary Church. It looks useless, she noted, unable to perform its stated function of telling passers-by the time. Yet it retained power and relevance.

"That clock in Clujj was a source of inspiration for me as a poet and a theologian," she said. "It reminded me of what the church is and is supposed to be. That clock did not have the ability to tell time anymore, but I could tell from its location and the fact that it was still there that it pointed to a time when things were different."...

Thompson wove the theme of time throughout her address. Memory of other times comes relatively easy to the Church. Old stories inspire us with the faith and courage of people who have gone before. There is also a history we would prefer to forget, times when the Church has been on the side of injustice. Misunderstood history, anxiety over loss of numbers and resources, and the rise of fascist dogmas all diminish the Church's faithfulness and effectiveness.

She stressed the power of ecumenical partnerships for addressing these challenges. As the UCC's Minister for Ecumenical and Interfaith Relations, she has seen these strengths first hand. In an interview, she contrasted this vision with the one dominating domestic politics, obsessed with closing borders. "I think that's a challenge to our theologies of love of neighbor and love of neighbor as self," she said. "We need to be something different."

Thompson told the delegates: "Yes, the world is changing. Yes, our communities are changing, too. Yes, the resources that are available for ministry and mission are shrinking. None of these markers name or define the relevance of the church, the possibilities we have for ministry, and the services that can be provided in partnership with the communities we serve locally and globally."

"The time we have is now," she declared. "The decisions we make are for today. We are living on borrowed time with the commitment to change the world."*

Our Father, who art in heaven, hallowed be thy name. Thy kingdom come, thy will be done, on earth as it is in heaven. CAPITAL CAMPAIGN UPDATE

By Kaki McGeary

**UNDER
CONSTRUCTION**

The Sanctuary Restoration Project has begun! Scaffolding is up and work to replace our plaster ceiling will begin soon. As we shared before, our plaster ceiling must be totally removed and replaced. The ceiling work will be done first and then it must cure for several weeks, during which time the walls will be patched.

Once that is done, painting can begin.

Worship services will be held in Fellowship Hall while the sanctuary is closed for restoration (Sunday Dec. 29 through Palm Sunday). We look forward to worshipping with you in our new temporary space while construction is underway. Thank you for your patience and flexibility!

Let there be (energy-efficient) light! New LED parking lot light fixtures (and new LED lights for the signs and steeple) are finally being installed! Federal security grant funds will pay for the new parking lot fixtures. Campaign funds will pay for the new sign and steeple lights.

Pledge Payments...Your continued pledge payments are vital to our efforts! We have budgeted for bridge loan financing. While we have not needed it yet, our cash balance is getting low and we will need to secure a bridge loan in order to complete the Sanctuary Restoration. As always, early pledge payments are welcome to minimize interest expenses.

SPECIAL NOTE: For your convenience, charts containing completion date projections for the Capital Campaign's various projects are posted on bulletin boards throughout the church.

REQUEST TO CHURCHES

United Church of Christ

The Disaster Response Committee of the Vermont Conference was created to be a part of the recovery process following disasters. A significant role for local churches is that of creating lists of volunteers from among members. The volunteers would be called upon to provide clean up to homes and land; to make meals for families without electricity.

Perhaps also, to babysit children while parents deal with re-organizing their lives and homes.

Recently, following the torrential rain and high winds, a number of homes in Franklin and Lamoille County were damaged and/or basements flooded. The Williston UCC basement was also flooded. The response by the State Voluntary Organizations Active in Disasters (VOAD) has been to seek assistance from the Religious Community. It has been slow in coming because we do not have that volunteer base in place. Any who would like to be on a volunteer list are welcome. Please send Rick Cochran, the coordinator an e-mail at vtvoadpresident@gmail.com or to vtcarrs@gmail.com. Or call Adrienne at 391-7777

Meanwhile, one of our association churches is in need. Can you folks help? Paul Eyrer needs us.

We Committee members, Barbara Purinton, Peter Plagge and myself are happy to assist churches in creating the lists and also in recruiting new members for our committee.

We are also developing a working relationship with the Episcopal Diocese Disaster Response Committee.

Tax-Incentivized Donations

If you are over age 70 ½ and have Traditional IRA assets, you can satisfy your required minimum distribution (RMD) requirements by making a Qualified Charitable Distribution to First Church! By directing some (or all) of your IRA distribution to the church, you can support the congregation and our missions in a tax-advantaged way. The distribution amount is not included in your adjusted gross income, which can help you potentially avoid increased taxes on SSI, higher premiums on Medicare, and the loss of deductions/exemptions. If you use the standard deduction on your taxes, this allows you still to get a tax benefit on your gift to the church. If you haven't

taken your RMD for 2019 or want to get a jump-start on your 2020 planning please reach out to Pat Seaver (878-4445, vtri2@aol.com) to find out more information. Another great way to support the amazing work being done at FCCEJ is by making a gift of appreciated stock. If you happen to own stocks that have grown in value and you would like to avoid the capital gains taxes on selling those stocks, you can gift them instead! Satisfy or increase your annual pledge by gifting these shares of stock directly to the church. You save on taxes and the church can use those funds to further our ministry.

Annual Meeting Sunday:
Ask the Pastor
Sunday, January 26th
Worship @ 10am
Meeting @ 11:20am

The power and authority of the First Congregational Church is grounded in its people when they officially meet each year. In 2020, that occurs on Sunday January 26th and we want as many people present as possible for there are some significant issues to be determined by the membership. Due to the importance of our form of church governance, we only have one worship service when we schedule the Annual Meeting so that everyone can stay and attend the meeting without having to make two trips. So, on Sunday January 26th at 10 a.m., we will worship as one body and then after worship move right into our Annual Meeting. As a way for the congregation to check in with their clergy, Annual Meeting Sunday is also the day when we schedule the "Ask the Pastor Sunday" so come prepared with some good questions to ask Reverends Mendes and Simon.

Noontime Book Group
(3rd Monday of each Month)
Monday, January 20th @ 11:30am

The Noontime Book Group will meet in the Marvin Lounge. Linda Lou Parker will lead the discussion of our first book of the New Year which is *The Secret Wife of Aaron Burr* by Susan Holloway Scott. It is the story of Mary Emmons, who was sold into slavery in India as a child, brought to America during war torn times and eventually became a servant to the woman who would become Aaron Burr's wife. The story is historical fiction, well researched and the characters right out of the American revolutionary time. It's described as the passionate, tangled story of one of the complex, but brilliant founders of our country and the women who stood beside them. Bring your lunch and come enjoy an hour or so of great conversation and friendship.

Dessert & Discussion with the Three Junction Clergy
Wednesday, January 22nd @ 7-8:30pm
Summit Street School

Have you ever wondered what Catholics think about the afterlife or homosexuality? Or have you ever wanted to know how Episcopalians walk the tight rope between Catholic like practices in worship and the Protestant's or how our shared story grounded in the English Reformation departed from one another? How do Father Charlie of Holy Family, Priest Kim Hardy and Rev. Mendes differ in how they spend their days and appropriate the Christian faith into their particular tradition? And wouldn't it be fun to observe Father Charlie and Rev. Mark disagreeing over some deep theological issue? Well, you have that opportunity at the Holy Family Fellowship Hall by the Summit Street School. Each clergy will have some opening statements and then most of the time will be saved for questions and answers. So come, bring a friend and your toughest questions.

DONATE TO OUR CHURCH

Our Church is a thriving community with great activity and expanding programs. We've seen growth in our youth ministry. This year we had 16 youth participate in the Christmas Pageant, over 50 children and youth learn about God's love for them at our Vacation Bible Camp, have seen our Junior Youth program increase to 24 overall youth, and we have 9 youth in confirmation. Last year, we helped send 16 young people and adults to Jamaica to be the hands of Christ. Our Sermon Talk back group had 27 people coming last week and continues to draw over 20 people each week. The Joy Group filled the Marvin Lounge as they listened to Bob Vincent and Ann Gray talk church history. Friday morning Coffee Clatter get upwards of ten people many weeks. Our many musical groups continue to produce magnificent music and inspire us all on a weekly basis. We sponsored more kids through our Christmas Giving Tree program than ever before and continue to be a leader in the community in feeding people. **And in 2020, through the Capital Campaign projects, we're going to have a new ceiling and fresh coat of paint to revitalize our beautiful Sanctuary.**

Because so many of our programs are successful, committees asked for more financial resources to help sustain our many vibrant ministries. We need extra help making sure our budget is balanced and our ministries maintained. **Please consider revising your 2020 pledge by \$2-7 per week to help sustain our vibrant ministries and our ability to spread the love of God in tangible ways.** As many of you know, I've had two surgeries this year and multiple medical bills. I originally was going to lower my pledge. After Mark last week talked about how much a difference an additional \$2-7 per week to my pledge would mean to the ministry of our church and the lives of our members and visitors, I increased my pledge by \$2 per week.

If you are able to do so, please contact Pat Seaver at Vtri2@aol.com or find the pledge forms at church to increase your pledge. If you're like me and do most of your finances online, you can donate via PayPal at <http://www.fcej.org/v5/donate-now/> or scan this QR Code (right) using your phone.

COAT HANGERS/RACKS

We have several areas you can hang your coat! **Entering on Church Street?** Stop by Pastor Mark's office and use this coat closet. You probably have noticed our main coat rack off in the Foyer as you enter from the main parking lot. If you pass this one by there is one by the glass doors as you enter the front door of the church. After you walk up the stairs to the Sanctuary there is still another coat closet down the side hall to your right, just before walking into worship.

PRAYER SHAWLS

Feeling Chilly? We have a large stock of warm, hand-made prayer shawls to keep you cozy this year, and they are free to keep! Ask our Ushers/Greeters for help.

FLOWER CHART

The 2020 Flower Chart is posted adjacent to the *Mission: Possible* board in the hallway between the Narthex and Fellowship Hall. Your contribution allows you to dedicate a beautiful bouquet in memory of a special person or important life event while bolstering the Church's Flower Fund. Please, write your request on the chart as soon as you are able. We like to give the florists ample time to artistically convey your sentiments.
