Our Home, Our Future, Our Time: A Capital Campaign Update

Hopefully, everyone enjoyed the "sneak peek" at our sanctuary on Easter Sunday! If you missed it, you can find the service saved on Facebook/YouTube – the "tour" is at the very end. There is still a little bit of painting left to do, but we look forward to the day when we can be back in our beloved sanctuary – and what beautiful day that will be!

Pledge Payments: In these challenging times, we know that many folks are dealing with financial uncertainty and hardship and taking care of yourself and your family is the top priority. So, this message is intended for those who are not facing a financial hardship right now. IF (and only if) you can help, your continued pledge payments - for the annual stewardship drive and for the capital campaign - can play a key role in helping First Church weather this storm. For the capital campaign, early pledge payments will help us avoid the need to access the bridge loan and help minimize (or even eliminate) interest expenses. We have paused new campaign expenditures for now, however some projects were already in motion before this crisis began and we have reached the end of our cash on hand. That said, our bridge loan is still available if we need it. Thank you all for your continued support.
